VERIFIED CLIENT REVIEWS ONLINE:

Linda H. "SoCal Caregiving was literally a godsend for our family, consistently providing excellent, compassionate caregivers for our elderly mother with Alzheimer's and dementia in spite of their having to often perform essential duties in very hostile work environment. If you are looking for reliable, competent, compassionate care for your loved one, you need to look no further than Southern California Caregiving Services. They are the very best!"

Christalyn M. "SoCal Caregivers treat your loved ones like their own family members. Gentle, loving and skilled in all matters of excellent attentive home care services, they are highly organized and go over and beyond the call of duty to make sure their clients' needs are met to a T! The other agency I had couldn't handle the daily tasks she needed. But God sent the right care providers. They surpassed my expectations."

Liz M. "Southern California Caregiving has provided services to my mother for the past two years. The level of care is impeccable and I could not recommend them more highly, if you are in need of an outstanding caregivers. They are consistent, reliable, and very kind. Thank you ladies!!

Debbie W. "Coordinators are warm, compassionate and understanding, let alone knowledgeable in every aspect of elder care. We felt comfortable immediately. Our primary caregiver has been incredible. Our mother loves her, and we can tell that she is dedicated to our mother. She definitely treats it more than just a job. I would recommend this agency to everyone and anyone."

Samantha G. "We were able to get a caregiver within hours of the same day my dad was released. The caregivers we were matched with are kind, patient, professional and capable. Thank you for all of your help during such a stressful life event."
